Finishing

- Attach horn to top center of front over rows 1-2.
- Attach muzzle to front of base over rows 4-7.
- Holding two strands together, attach mane to back side of base (where seam is):
 1. Add "hairs" in the center top of row 1.
 2. Skip over row 1 and working in the space between rows 1 & 2: add hairs to the left of center and to the right of center.
 3. Skip over rows 2 & 3 and working in the space between 3 & 4: add hairs so they line up with the hairs of step 2.
 4. Skip over row 4 and working in the space between rows 4 & 5: add hairs to the center of the row.
- With Black Fabric Paint, add eyes above the muzzle and nostrils & mouth on the muzzle. Allow to dry as directed on bottle.
- Hide all strings
